While the teachers are stimulating our brains, these three are keeping our building and yard in the best condition.

MR. RAY NELSON

All the girls were kept on their toes at the "Big Sister, Little Sister" party.

Nowadays everyone's trying to be a football player even the girls in the skit.

Better watch where you are going Dave?

Don't worry Don, they are farbehind you, as Honeywell takes first in a Cross Country meet.

Deciding on a style for the Sophomore rings is quite a chore.

What busy beavers?

What kind of dance is that John?

Throw that ring hard!

That's what one would call a Greecian pose.

We certainly enjoyed those entertaining and educational assemblies.

What next----girls playing football. They called it the "Powder Puff" touch football game.

Smiles!!! The report card must be good.

Myrna Loy

Zella Jo Searle Junior

Diane Schutz Freshman

Mr. Touchdown Dave Gerner and Queen Jeanette Eskridge start the dancing for the evening.

Juniors create spirit of "Victory".

QUEEN JEANETTE

Seniors express their opinion in the slogan "Lick 'em".

Jeanette unknowingly awaits for her triumph of the evening.

Oh! yes there was also a football game.

Sophomores really worked hard in creating their winning float.

What are the gloomy faces about? The Senior play wasn't that bad.

Those breaks between scenes relax our actors.

Bill seems to be quite perturbed.

You better jump higher, Randy.

Everyone seems to be enjoying themselves at the Christmas Formal. $\ensuremath{\bullet}$

Where there is food, there will always be high school students----even at a formal.

The Grand March is the highlight of every formal occasion.

The L.H.S. Pand entertains with a few numbers at the Christmas program

Looks like Larry has a problem.

Steve, are you making fun of Tom's curved back?

Hula girls in Indiana? Hip-Hip-Hooray!!!!

Don Wonnacott shows how make-up can change a person's looks.

I know it's the Junior play "All Shook Up", but do I have to kiss her ON STAGE?

Want to know about Bull U.? Just ask Sue she'll tell all.

Queen Peggy and her court.

Shiela Bruce Jane Dahl Priscilla Holley

Georgina Schlesser Linda Thomason Marlean Zygula

Sharon styles her play suit and seems to be ready to take it easy this summer.

QUEEN PEGGY

Judy, the Mistress of Ceremonies at "Mama's Tea".

Leah models a very neat two-piece suit.

Is Peggy smiling so brightly because of the fashionable dress or because she knows school's almost at an end.

A Capella choir performing at the Annual Choral Concert.

Junior Prom Queen Priscilla Holley being escorted to the dancing floor by King Tom Milakovic.

The boys as well as the girls looked splendid at the Junior and Senior Prom.

Alice and Charlotte seem to be relaxing for a few minutes.

Around the corner at the Prom Grand March.

What seems to be frightening John?

Charlene Shank was the winner of the Arion Music Award consisting of a scholarship to any college of her choice.

Donna Wargo, Senior; Susan Campbell, Freshman; Zella Jo Searle, Junior; and Jerry White, Sophomore were winners of the Departmental English Honors.

Boy's State appointments went to Walt Meyers, Steve Roy, and Steve Wilson and on the back row are seated Terry Tuttle, Tom Regnier, and Ted Pratte who were selected as alternates.

You're all wet, I hit first!

Don Kretz, Senior; Walt Heyers, Junior; Bob Cunningham, Sophomore; and Richard Pace, Freshmen, were the winners of the intramural trophies by wintue of leading their classmates in intramural points for the entire year.

After twelve long years, don't be late now.

Which side does the tassel go on, anyway?

Pretty girls always lead the way.

Don't worry, it will soon be over.

Now is the hour, or two!!!

We devote our attention to the Commencement speaker.

Steve capably presenting his Valedictory address.

Only a piece of paper ---- but what a happy feeling.

Salutatorian Dawe Pratte receives one of his many awards from Principal Frank E. Dick.

Where's the red carpet??"

WHEEEeeel It's over.

Goodbye caps and gowns----hello parties, fun and work.

Now we are Seniors, graduation has descended upon us, and we enter another phase of our lives. Even though a new type of living is before us, sadness appears on our faces and through our whole being as we think of our care-free high school days of the past. But as all classes before us we shall keep looking for opportunities of the future.

Under

classmen

Desen't every senior wonder what Lowell High School is coming to when they observe the underclassmen. I's sure if they would think back a couple of years, they would have found their actions and manner similar of today's underclassmen. Tes, those seemingly impossible freshmen, sophonores, and junfors soon become seniors and young adults ready to take responsitifity.

Those four years in high school make possible learning to work as a unit, a driving spirit in reaching a certain goal, as well as an accumulation of much needed knowledge.

Larry, do you want some help??????

Pat moves in for the kill.

Football

The Fighting Red Devils footbell team was in the thick of the battle for the conference championship down to the last game. But our last game was postponed because of a severe rain storm and cold spell, and that last game with Dyer turned into a battle for second place and we lost 28-7.

The Devils pushed across nine touchdowns to run up the highest score in recent years in downing East Gary 60-0.

Our football team reached it's peak in a battle with a tough Edison team and we ran all over them winning by a score of 35-19. The defense and offense were tops and like the opposing coach remarked after the game, "those Red Devils came to play football." A touchdown by Germer that was set up by some good blocking went for 93 yards and we were off.

First Row: P. Russel, P. Bruckman, D. Black, E. Truman, J. Gidley, D. Childress, J. Fiene, J. Rosenthal, Second Row: B. Hayden, B. Griesmer, D. Herbst, S. Wilson, R. Dawson, T. Beckman, S. Rouse, L. Nord, D. Herbst, T. Milakovic.

Get out of here, it's mine!!!!

We went up to Merrillville and tore them apart by a score of 26-12, which was another top performance by our boys. This time we got to bring home the gold football.

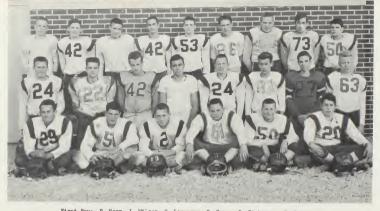

Larry Cunningham was selected on the All-Conference as a guard as was Dave Gerner in the half back slot, and Tom Milakovic also made the team as an end. Bill Woodke was chosen on the second team.

Tom goes in for the TD .

Varsity Football

Lowell wins again.

Undressing in a public place -- my, oh my !!!!

Cross Country

One the toughest of the high school sports is Cross Country. The two mile run is up and down hills, over rough terrain, and through cold and rain.

The Red Devil harriers turned in creditable season's record, but ran out of gas at the conference meet and finished far down the line.

Don Honeywell was the top point getter with 1168 and Bob Cunningham next with 116. Both will return next year along with Ray Dirindin and Mickey Roy also letter winners.

Just one more mile.

G. Nomanson, M. Roy, M. Cunningham, J. Unger, T. Pratt, R. Dirindin, D. Honeywell, P. Nomanson, R. Dirindin.

Basketball

Basketball practice got off to a slow start this season as 5 of 6 of seventual starters had to play a postponed football game at Dyer. The final polished team was not ready for the opener with one of Chesterton's finest teams in many years. Our Fighting Red Devils did well, now-ever, and were leading at the end of the third quarter by 5 points only to be tied by Chesterton at the gun and then on to lose in the overtime.

With a cold shooting night at DeMotte and their second straight set the Red Devils rebounded with four straight victories prior to the Lake County and Chesterton tournies.

With a li to 9 quarter lead over Griffith in the Lake County Tourney the Red Devils proceeded to flounder and couldn't get untracked and came out with a four point loss. At the Chesterton tourney things got worse, A 29 point loss to a young Portage team and a 16 point loss to an average Calumet team made the Red Devils and followers wish they had stayed home.

Wake-up, Randy you're supposed to be playing haskethall.

Left to right: R. Mikels, R. Merrills, T. Feddeler, T. Milakovic, L. Nord, R. Dirindin, R. Harkabus, M. Snipes, J. Van Nada, T. Tuttle, B. Dahl, B. Hayden.

Sure do have some flat-footed basketball players.

Two days after the opening tip off of the North Judson game, our Red Devils beat the Elue Jays to get back to their winning ways. Due to an electrical storm

No days after the opening tip off of the North Judson game, our Bed Devils beat the Blue Jays to get back to tust's vanning ways. Due to an unusually heavy sleet and snow storm a power line snapped and plunged the gym into darkness and the game was delayed until on Monday. After a win from Highland and a loss to Crown Point and Bishop Noll the Devils awenged their previous loss to Portage by and eight point margin and continued to win their conference games by beating Edison, Merrill-ville, and Wirt.

Going in to the final game of the season with Oriffith our Fignting Red Devils were tied with Crown Point for first place in the conference. With another 1 point loss to Griffith things looked bad indeed to take that championsnip. It happened, though, and Crown Point Lost plunging Merrillville, Lowell, and Crown Point into a three way tie for the first place troub.

In the sectional our Devila lead all the way and eventually beat Hammond Tech 65-65. Them balance moved as 5 of 6 players scored in the double figures. Then that night after leading Hammond Clark the first two quarters and trailing only 3 points at the end of the third quarter our Devils faltered toward the end and were elininated from the tourney by a 65 to 59 count; thereby, ending the third consecutive winning year for the Fighting Red Devils.

Tom Milakovic was moved to center at mid season and became a demon on the boards and scored well in the real important games.

Randy Harkabus an All-Conference selaction set four rebounding and scoring records. Rebounding records set were for most in one season at 2½2 and most in varsity career at 16%. Also scored most points in one season at 3¾ and in varsity career at 5½,

Jack Van Nada was switched from forward to the guard position this year and performed excellently in setting up plays. He was also selected for the Sportsmanship Award.

Terry Tuttle was the regular sixth man on the team and played good defensive ball and played well in the tournies.

Larry Nord received All-Conference Honorable Mention; and ne, too, became a playmaker after playing the forward or center spot last year.

Jack makes a cute ballerina on the gym floor.

Wrestling

The bubble finally burst. After winning the conference championship two years in a row we finally took it on the chin. We finished third.

However, we had two boys who took first in the Crown Point Sectional, Larry Cunningham and Danny Herbst. Chuck McKillen and Bob Grissmer placed second in the sectional and all four boys wrestled in the regionals in Lafayette. Chuck and Dan placed fourth at the regionals.

Captain Larry Cunningham went undefeated during the regular season with a 14-0 record plus three wins each in the conference meet and the sectionals.

Nine letter winners will be returning for next season's wars and that conference championship.

Take it easy on the heads, boys.

Larry Cunningham for his tremendous desire, leadership, and scholarship was the winner of the All Sports Trophy.

Rob, what type of victory waltz is that.

Tie him in a bow and send him home, Doug.

Danny, you shouldn't be laying down on the job.

Baseball

Knock it out of the park, Larry.

Paseball, like the rest of our spring sports, was dominated by underclassmen and didn't get on the winning side enough times.

The big feather in the Devil cap was beating Crown Point 5-1. They gave the leaders of the conference a headache losing only by one run to each of the conference leaders.

There were only three Seniors on this year's team and with most of the lettermen returning will be a powerhouse next year.

Jim Unger was the winner of the trophy for obtaining the highest scholarship for an athlete.

Boy, pay attention to the game.

Pat jaunts across home plate.

What are you doing, Billy?

Back Row: G. Nomanson, J. Wilson, R. Meyer, R. Smith, J. Austgen, D. Honeywell, K. Brown, J. Cidley, R. Dirindin, B. Kralek, G. Rietman, C. Fiene, P. Patchett. Front Rowr A. Milson, G. Korthauer, D. Track

Jack, take the baton with you.

Woefully lacking in experienced personnel, our track squad suffered through a very disastrous season.

The team was made up of mostly freshmen and sophomores and with determination and lots of desire should be a winner next year.

Jim Patchin was the leading point getter with John didley coming in a close second, George Korthauer tied the school record of 22:9 in the 220 yard dash, and he along with Patchin, didley, and George Ristman made up one of the fastest half mile relay teams in L.H.S. history.

O.K .--- up and over!!!

What's the scur face for, Doug.

Ronnie seems to be resting--pretty high up.

Kneeling: Adolph Mueller, Tom Regnier, Ron Shipley, Ken Mc Allister, Tom Milakovic. Standing: Drummond Black, Larry Zander, Jim Cunningham, Rich Mikels.

Twenty two candidates yelled "Fore" and took off in quest of the coveted five man golf team.

Golf

Four were returning lettermen—Tom Milakovic, Ken McAllister, Adoptin Mmeller, and Ron Snipley—and Tom Regnier, eventually, became the fifth regular. Rien Mikels, Jiany Cunninghem, Drumanon Hlack, and Larry Zander all played in one or more matches and certainly will be pushing for places on the team next year.

Our season wasn't exactly what you call a big success as we lost more than we won, but with more experience and seasoning we should be a winner next year. In our final match we burned in the best score of the season with Milakovic getting a 37, Hoallister and Snipley 12°s, and Regnier a lub for 16°s and still got beat.

During the different seasons of the school year, different organizations stand-out in presenting activities. This enables students to belong to two or more clubs adding variety while not having to participate in many at once.

Juture Farmers of America

Work and more work and a little play is the daily routine to a member of $F_*F_*A_*$.

The Future Farmers of America rent farm land to work to make money for their treasury.

Sunshine Club

Everyone in the Sunshine Club has one goal, to make everyone happy and smiling. The members take turns selling popcorn at all the football and basketheall games. Every once in a while they get the chance to sponsor a sock hop.

Diane Miller, Secretary; Dave Gerner, President; Nancy Strickhorn, Corresponding Secretary.

Pep Club

We've heard this many times, "The girls have the big mouths," (No Offense), but this year the girls of Lovell High have proved it! They have built a very enthusiastic Pep Club-All OHES-and they are doing an excellent job of building school spirit.

They have sold candy and used the money to purchase Sectional tickets for the members of Pep Club.

All in all, the Pep Club has been very successful in all its endeavours. Mr. Rose has the pleasure of sponsoring the GIRLS!

Girls' Athletic Associaton

We've heard many girls make the remark that if they could be on the many athletic teams the boys are on, they could do a better job. This is debateable! Of course, I imagine quite a number of girls would try out for the teams if it were legal. Fut it isn't, so they must settle for the quiet games of volleyhall, deck tennis, and girl's hasketball.

Work! Work! Work! That is a familiar phrase to all members of Student Council. At times its like pulling teeth, yet Mrs. Hile, their sponsor, usually gets a few volunteers. Each member threatens to quit if someone else doesn't get busy and help, but with no more to say the members get busy and make whatever they are sponsoring successful.

Everyone enjoys the festivities of Homecoming and the Christmas Formal. The Student Council and Mrs. Hile deserve praise for their accomplishments.

As blue or brown eyes blink at you, who could resist buying the potato chips the girls of Y-Teens sell. They smile so sweetly that you have to buy at least one bag. That is why that for the past few years the Y-Teens have sold the most potato chips in the Calumet Region.

The "BRAINS" of L.H.S. and that they are! This is a group of very deserving students who have worked hard to earn the recognition of belonging to the Naticaal Honor Society. All of the faculty and their sponsor, Mrs. Hile, are proud to have such a fine group of students as Lowell High.

A junior must have a 3.1 average and a senior a 3.2 average to become a member. A student maintaining this average is inducted into the Society during a formal initiation.

Band

The band and its director, Mr. L.B. Minix have good reason to be proud of their accomplishments. They received a second rating at state contest and many of its members have received various honors at other contests. We hope the band will continue its fine progress.

Home Economics Club

Are you going to be a "little home-maker?" Well, if you are the Home Ec. Club was designed with you in mind.

The girls are capably taught the art of homemaking, which many will use in later years, by their sponsors, Mrs. Huff and Mrs. Vandermark.

Each year they sell the delicious coady that almost everyone buys and cosponsor the Mother's Tea. To prove their ability the members bake the cookies for the Mother's Tea - and they are GOODI

Betty Talley, Secretary; Sandra Zander, Vice-President; Jane Dahl, President; Laurie Luckiewicz, Treasurer.

Cheryl Mandly and Editor, Edwin Moody lay out one of the many pages required for the yearbook.

Taking, developing and printing the many pictures that went into the annual took most of Jeff Henke and Jay Sheeny's time.

Lowellian

Work - and plenty of it!

The outcome - our Lowellian! This year we have worked hard along with our sponsor, Mr. Miller, towards a better yearbook. With the help of new ideas and the cooperation of our staff, we present our Lowellian.

The composing of the mountain of articles needed was left in the capable hands of Penny Nolan and Jane Dahl.

To Our Advertisers and Patrons

The Lowellian Staff wishes to pay tribute to the many advertisers and patrons who have so generously contributed to the success of the 1962 Lowellian. Your kind consideration makes it possible for the students of Lowell High to publish a yearbook we are proud to own.

for those who think young

YOUR FUTURE'S BRIGHT IN NORTHERN INDIANA

If your eyes are on far horizons following graduation, here's a suggestion: Look around you right here in NIPSCOLANDI

There are vast and challenging opportunities in northern Indiana for trained young men and women in industry, commerce and agriculture. Some of the greatest challenges await the talent and imagination of young people in the investor-owned utility business.

We will be happy to discuss your career opportunities at NIPSCO...drop in and see us!

NORTHERN INDIANA PUBLIC SERVICE COMPANY serving today..... building for the future....

what's their future

The young people you see in these pictures are all on their way to successful careers in one of America's basic industries . . . steel. They decided (as we hope you will decide) to let Inland Steel Company help

them plan their future.

Some are gaining knowledge and experience in special trades to become journeyman machinists, carpenters or electricians . . . some are concentrating on
certain phases of steelmaking by working in the open
hearth shops, the cold rolling mills or the galvanizing
lines. Still others are working in laboratories building

a sound foundation for a future in steel research.

Inland offers the high school graduate an excellent opportunity to further his education. Employees may participate in a variety of on-the-job training programs, or they can continue their formal education by registering for evening courses offered by local Purdue and Indiana University Extension Centers.

Plan now to investigate the unlimited opportunities for you in steel . . . with the midwest's own steel company . . . INLAND STEEL.
